CQ, CQ, CQ

Welcome to the Scott County Amateur Radio Emergency Services Club weekly repeater check in net.

My Call sign is \_\_\_\_\_. My name is \_\_\_\_\_, and I will be your net control for tonight. I will be using the club call sign NE4ST for the duration of the net.

The Emergency Coordinator for Scott County is WX4GPS and his name is Ron.

This net meets every Tuesday night at 19:00 for the purpose of promoting amateur radio and to ensure your equipment is in good working order.

This club operates the 146.685 repeater located in Georgetown, Ky. If you have found us for the first time, please be sure to have the PL tone properly installed.

This repeater has a negative offset and PL tone of 141.3

This net is open to all amateurs and all amateurs are welcome and encouraged to check in.

This is a directed net and exchanges between stations should only be done at the direction of net control.

Please pause before transmitting to avoid doubling with other stations. Also, please monitor for weaker stations and help with relays if necessary.

If there is an emergency at any time during this net, please call emergency and your station will be given priority.

Any emergency traffic please call now.

\_\_\_\_\_ Pause \_\_\_\_\_

At this time we will start taking regular check ins.

Please give your call sign twice, both phonetically and alpha numerically. For example the club call sign is NE4ST----November-Echo-4 Sierra Tango.

Please state your name, county of operation, and if you have traffic or comments for the net.

After hearing your call sign, name, and county, I will repeat them back to you immediately after you have unkeyed.

I will start taking check-in's now.

---

Any additional check in's please call now.

---

**[Make this announcements during a break in check in's]**

[ The Club would like to invite everyone to our monthly Club Meeting at the Scott County Extension Office, located at 1130 Cincinnati Rd in Georgetown Ky. We meet the 3<sup>rd</sup> Saturday of each Month at 9:00 AM.

If you would like to contract us, please send an e-mail to [NE4ST@arri.net](mailto:NE4ST@arri.net). ]

---

One last call for late check in's please call now.

---

The time is 19:\_\_\_\_\_ .

We had a total of \_\_\_\_\_ check in's and we were in session for \_\_\_\_\_ minutes.

I would like to thank everyone who took the time to check in this evening and invite you back next Tuesday evening as well.

(( ( There will be a UHF net immediately after this net has finished. We will switch to the 443.625 repeater for that net. The UHF repeater has a positive offset and a PL tone of 141.3

We will first take check-in's in FM Mode. Then we will switch to C4FM mode to take check in's. We do this in order to verify all of our repeaters are in good working order.)))

I will now close this session of the Scott County Amateur Radio Emergency Services net and return this repeater back to normal amateur radio use.

Thank you and good night!

My call sign is \_\_\_\_\_ and my name is \_\_\_\_\_,  
73's NE4ST is now clear!
